

Gentlemen,

A very creditable 50 players took part in today's Roll Up Competition - Round 2 of the Elliott Cup Stableford . This was a qualifier which saw some well deserved reductions to handicaps ! The weather was not good with only the early birds staying dry, the rest of us got a soaking several times (all on a day that was supposed to be dry!). As usual full results are on our Notice Board and Website. The winning results were:

CONGU HANDICAPS

1st : Keith Doran with 43 points (H/C cut by 2.8 now 23)
2nd: Dave Barnett with 40 points (H/C by 1.6 now 24)
3rd: Maurice Manning with 38 points (H/C cut by 0.8 now 25)
4th: Doug McPherson with 37 points (H/C by 0.3 now 18)

HWM HANDICAPS (for the prizes)

1st : Keith Doran with 42 points (H/C cut by 3 to 22)

CAPTAIN'S CORNER

Our Captain is still away but I thought it opportune to re-emphasise a few issues again:

Pitch Marks - please make sure you repair your own pitch marks and any others you see. Apparently this was still a problem last week. Think of the others who are following you .

Divots - for those of you who take a divot you must replace it.

Also, on behalf of our Club Captain, a big thank you for all of you who helped with the divot repair session last week.
