

04/04/2019

A low turnout today for the Team Stableford competition. However, the weather was awful and we also had a home match so that might explain only 24 players this morning. Good to see Maurice back on the desk, and thanks to Phillip Harrison for assisting which is his first stint on the desk (I understand Maurice even allowed him to use the computer!). The results are as follows:

Full results on Notice Board and on our Website (wgchighwaymen.co.uk), and, hopefully, attached !!!

1st: Gary Egleton; David Giles; Peter Holliday; David Head - 90 points

2nd: Colin Leeder; Alan Meyer; Dick Ewington: Laurie Morse - 86 points

CAPTAIN'S CORNER

We played our first inter club match today at home against Milford. The weather was certainly difficult with all of us very wet and cold. However, we managed to win by 4 / 2 so well done to my team. We have now moved away from the two course formal meal after the match and gone to a more simple one course meal plus coffee; which today was a Curry and was very well received by everybody. Not only is this cheaper but also saves a lot of time.

Baxter Trophy Match: We only have 22 signed up so far which is disappointingly low so please sign up for this enjoyable mixed game with the ladies (who are also providing cakes at half time) all for a reasonable cost of £14 which includes a one course meal.

GOLF CLINIC: There is no Golf Clinic next Wednesday (10th April)

COMING UP

Next Week's Roll Up: Stableford (Q) with Paul and Graham on the desk.

Monday 8th April: Match against Sutton Green (away)

Roll Up 18th April: Please note that this is now a **Stableford (Q)** and not a Stableford Pairs as previously advertised.

EVENTS

Costello Bowl: The draw is on the Notice Board - organiser **Bill McIntosh**

Baxter Trophy: See above, we need more to sign up (cost only £14) -organiser **Paul Buchanan**

Mens Invitation: Friday 17th May - organiser Graham Woodfine

That's all I have for now and let's hope the weather improves for our golf.

Gerald Bullock
