

A good turnout today with 51 playing in the Stableford Qualifier. After a very cold morning things warmed up and it was a lovely day for golf. However, the scores didn't really reflect this with most scoring in the mid to high 20s with only one CONGU handicap cut ! As usual full results are on the Notice Board and Website - wgchighwaymen.co.uk

This is the first week of HWM Handicap adjustments and the winners today are:

1st: Phillip Harrison - 37 points. HWM H/C cut by 3 to 11 (CONGU H/C cut by 0.3)

2nd: Tony Tilley - 36 points. HWM H/C cut by 2 to 23

3rd: Terry Kilbane - 35 points. HWM H/C cut by 1 to 25

4th: Paul Rozier - 34 points. HWM H/C cut by 1 to 22

CAPTAIN'S CORNER

A very nice morning on the course with almost perfect conditions, but not really reflected in the returning scores. I would once again urge you to consider your pace of play, one group today was a clear two holes behind and that's with a three ball !! In these circumstances you must allow the group behind to play through or increase your rate of play to catch up. Additionally we witnessed players searching for partners' balls before playing their own shot, please play your ball before walking across the course and then back again.

The committee is arranging further **defibrillator training for HWM** interested in improving their personal capabilities to assist others when the needs arrive. This will be held at the club later in May with a minimal charge of approx £5. Please advise me if you wish to participate. Many thanks.

Roger Smith, Captain

Repairing Pitch Marks & Divots

Now that the greens have pretty much recovered from maintenance week, please remember when you get on the green to repair your pitch mark (and any other ones you find). Additionally please repair your divots on the fairways. It's our course - let's take ownership of these things.
