SENIORS INTERCLUB MATCHES – PROCESS

Match Secretary Contact Details	wgcover55@gmail.com
Interclub Matches - participation	All Windlesham Golf Club members over 55 yrs old with an England Golf Handicap Index are eligible to play Seniors interclub matches. The Seniors section committee (Highwaymen) will agree a set number of friendly matches to be played each year. A committee representative will make contact with the respective opposition clubs, and agree home and away fixture dates for the forthcoming season.
Match Pool & Match Calendar	A sign-up email is issued in January / February via golf genius seeking interest in playing interclub matches. Providing you are over 55 yrs old you can register to play Seniors interclub matches at any time throughout the season by adding your name through the golf genius App. Based upon the responses received, the match secretary will formulate a match pool of players for the forthcoming season. The match calendar is also contained within the HWM website under interclub matches.
Sign Up Process	Sign-up requests for a particular match are sent to the match pool around 4-5 weeks before match day.
Team Selection	The match secretary will compile a list of all those that expressed an interest in playing, allocate a Captain; and select 6 pairs plus 3 reserves.

	Approximately 2-3 weeks before match day an email is sent to all those that expressed an interest in playing confirming the team selection, which will also be uploaded to the HWM website under interclub matches. A record is kept of everyone who volunteered to play, so if you were not selected the first time, you will be given preference for the next match; provided you have signed up for that match. If you play in the first home or away match, you will be given preference to play in the return match, provided you have signed up to play in that match.
Handicaps	Handicaps change frequently, and are updated by the match secretary 24 hours prior to each match. The match secretary will check the opposing team handicaps for all home matches, and notify the opposing team of the Windlesham handicaps for all away matches.
Cancellation following selection	If you have been selected to play in a match and subsequently need to cancel, it is your responsibility to contact a player from the reserve list in order. Following confirmation that a reserve is available to take your place, please email the match secretary who will update the team sheet accordingly.
Results & AGM Presentation	Interclub match results are published on the Highwaymen website and on golf genius following each match. End of season results will be presented at the main club AGM. The Seniors match secretary will also present the end of season results at the Highwaymen AGM in November each year.
