## Competition Check-in and Returning Scorecard Notice

Dear Jack,

Tomorrow sees the return of our first strokeplay competition since re-opening the golf course back in May.

I am sure many of you are very excited to get back playing competitive golf again, not to mention as of tomorrow, being able to get a beverage post round to wash down those birdies and / or bogeys!

Now, before getting carried away with the prospect of post golf beverages, there are some **important** notices and reminders ahead of this weekend regarding competition play. See below a step-by-step How To guide.

### 1. How to Check-in for a Competition

You have already booked a slot on HandicapMaster and / or a tee time in advance, when arriving at the Golf Shop to check-in, inform the Member of Staff your intention of signing into the competition and the entry fee will be taken.

Given the current circumstances, we will not be labelling scorecards, therefore collect a scorecard from the Golf Shop to complete.

### 2. How to Complete a Scorecard Correctly

The current guidelines and local rules prevent scorecards from being swapped, so you need to complete your own!!

See below a copy of a scorecard example and temporary Windlesham Local Rules - read these carefully.

### 3. Pace of Play, Provisional Balls and Etiquette Summary

**Pace of Play** - keep up with the group in front and let faster groups play through.

**Provisional Balls** - if in any doubt your ball is lost, hit a provo! It's a free practice swing.

**Etiquette** - the glue of the game. Shout Fore! Be courteous! Don't be slow.

#### 4. Enjoy your game

You have waited a long time to play in a competition, so have fun!

#### 5. Returning your scorecards

There are now 2 options available to record your score after your round - online and via the Golf Shop.

##### **Online (Preferred)**

To speed up the competition admin, we ask in the first instance to log your score online - this can be done in the Members Website under "Online Scorecard Entry" - see below.

The screenshot shows the 'Online Scorecard Entry' page on the Windlesham Golf website. The page has a dark blue header with navigation links: Home, Members Central, Competitions / Driving Range Booking, and Online Scorecard Entry. Below the header, the page title is 'Online Scorecard Entry'. The main content area features the Windlesham Golf logo, which consists of three icons: a tree, a 'W' in a circle, and a golf club. Below the logo, the text reads: 'In order for the Team to process scorecards in the safest manner whilst adhering to social distancing guidelines, we request that Members now enter their scores below. Once submitted, the Team will process the score.' This is followed by instructions: 'Follow the details below to submit your scorecard: - Scores will only be accepted, if registered with the Golf Shop prior to the round. - As normal, please enter your GROSS score. - If you do not score on a hole, please put 0 (zero) - do not leave the hole empty.' A contact email 'proshop@windleshamgolf.com' is provided for questions. A note states 'Please allow up to 12 hours for this to show on your handicap record.' Below this is a 'Score Entry' section with a button labeled 'Enter a Score'.

Before leaving the Club, make sure you drop your scorecard off in the Golf Shop marked as "Entered Online".

##### **Golf Shop (Secondary)**

If you do not have a mobile phone or the facility to enter your score online, drop it off in the Golf Shop and a Member of Staff will input the score for you.

**All scorecards MUST be returned and any discrepancies could result in a disqualification from the competition.**

##### **Top 5 Don't Forgets**

1. Turn up on time - please sign-in as soon as you arrive.
2. **PLEASE DO NOT SWAP SCORECARDS** - follow the guidance above.
3. Warming up on the Driving Range? Make sure you book a slot!

4. Hit a bad shot offline? **Shout Fore** and hit another one, just in case it's lost.

5. Have fun.

If your circumstances change and you cannot make the tee time, please call the Golf Shop on **01276 451 122** and let us know so we can re-allocate your slot to another Member.

Finally, familiarise yourself with this process and the Local Rules. Do not hesitate to ask if you have any questions, this process is likely to be in place for a while but will likely be adapted over the coming weeks as we gradually return to some normality.

Have a great weekend and good luck.

Best,

Jack Bamford & Malcolm Wells
