

Windlesham Golf

HWM Summer Ladder

So as to provide some social golf for Highwaymen, the HWM Committee is proposing to run a pairs ladder during the summer and, possibly, autumn months. Entry is open to all HWM with a CONGU handicap and it's free. There are no prizes and you don't need to find a partner, pairings will be decided by random draw.

Our Thursday rollups are not just golf events but also a source of social contact for many of our group, much of which has been missing during recent months. As of today, we still don't know when we will be able to restart our rollups so hope that this Ladder will give HWM the opportunity to play against a variety of different players. We hope to start on the 1st July so if you are interested **please email your name and handicap by 25 June at billmcintosh47@icloud.com**

The main rules are as follows (more details later) :-

- Pairs to be drawn at random.
- Matches to comply with the Club's Return to Golf policy.
- Stableford scoring (better ball score at each hole), played off yellow tees, open to all HWM players with a CONGU handicap.
- Initial ladder will be based upon each pair's combined handicap, in descending order.
- Each pair can "challenge" a pair ranked up to a maximum of 3 places above them, offering 3 midweek dates to their opponents over a period of 2 weeks. If the higher placed pair cannot play on any of those dates, the pairs swap places.
- If the "lower" placed pair wins, the pairs swap places. If they lose, the pairs stay where they are.

Enjoy your golf and stay safe.
