

Windlesham Golf

As it happened

Another fine morning to greet the 50 players who started today in the Stableford Pairs competition. An early start to accommodate the tee times for the 12 players who represented the HWM in a home match against Castle Royle.

Going out early was clearly the best idea as both the winning pairs were out before 8.20 and what a pace they set.

The winning pair of Bob Kealey and Roger Medler were on the Leaderboard with 46 points closely followed by Paul and Norlan on 45 points. Those 3 holes on the back 9 where Bob and Roger had 4 points on each hole made the difference. Such was the high level of golf across the field that 17 of the 26 teams scored more than 40 points and if you take a look at the scores on GG there were some great scores posted. Hopefully most people enjoyed the competition and again the course was playing really well despite the lack of rain.

The Match v Castle Royle

No - you weren't seeing double as you looked across to see the HWM playing against Castle Royle. Due to a fashion faux pas both teams turned up to play in exactly the same colour kit. Now in my day that meant one of the teams had to play as "skins" that wouldn't not have been a great look - so on they went both in blue....and as it turned out the HWM won by 3.5 to 2.5 with 2 of the matches going to the 18th. This avenged our earlier Away defeat 5-1. So overall we have now won 5 and lost 5 with 3 halved.

Comps and event updates for August

4 August - Sereyni Salver - please refer to GG for the rules - its much easier than me writing them all out here. My money is on Paul Buchanan as it was his 80th birthday this week and with his score this week in the Pairs he must be a strong contender for the Salver.

11 August - Elliott Cup Rd 5 - Alan Meyer is top of the leaderboard with 119 points but there are 10 players within 9 points so 1 good round and its' all change at the top.

18 August - Maintenance week with a 9 hole Bowmaker.

23 August - Thew Bowl

25 August - Bowmaker with a twist and BBQ - **more to follow.**

Patricia Baxter Trophy - the current holders being Phillip Harrison, Robin Saunders, Andrew Harvey, Angela Armstrong. Due to fixture congestion this has been moved from 31st August to 6th October.

HWM again swung into action this week to support the Ladies Invitation Day - a great success from our ladies for the Charity.
