

## HWM Team Stableford ( best 2 from 4 )

48 players on the course for a more relaxed days golf played in very acceptable conditions bearing in mind what we have played through recently. We had another 12 players in the InterClub match against Chobham. The final results for the Team Stableford were in doubt until the final moment with two teams both on 86 points and we actually had 6 teams who came in with over 80 points so some good scoring. It was close across all 12 teams with 10 points separating 12th from 1st. Anyway that's what my 4 ball were telling ourselves ! So congratulations to the 4 ball team of Tyler , Brooker , Lewendon , Ford ( Alan ) who took the honours on CB.

Next week see's the return of the Summer Elliott Cup competition with Round 1 being contested. For new HWM members this is a 6 round competition with the winner being the player who has the most Stableford points from his 3 best rounds. All rounds are qualifying rounds.

### First Inter Club Match versus Chobham

Following a successful season in 2023 we start with a new Match Secretary in Stephen Webb and can look forward to ( hopefully ) an equally successful 2024. So, the team from Chobham were the first opposition for the HWM team and we recorded a victory with a 3.5 - 2.5 winning margin. It was nice to hear the very positive comments from the Chobham team on the state of our course.

### Lee Mucklow Seniors Clinic - starting again 24 April

Lee is starting his Clinic's again to run from 24 April to end of August. Short game Clinics will be on putting for the first 4 sessions as this topic has yet to be exploited. Places are available and can be booked through Lee's Academy section on the Club Website. <https://leemucklow.proagenda.com/#agenda>. There are a number of HWM who still have credits from 2023 so if you think you have a credit please contact Lee.

### Final Call - Final Call - Final Call - Baxter Trophy Wednesday 24 April

You know you want to join in this very convivial event ( Texas Scramble ) with the ladies so please navigate to Golf Genius before Tuesday 16 April to register.

### Rules of Golf and Course etiquette

We will soon be moving into the period when preferred lies will be removed so we all need to be aware that the rules of golf need to be applied. We may have slipped into bad habits which can trip us up when it comes to qualifiers and competitive golf so please can we all start to focus on the rules that are there for all our benefit.

On the subject of course etiquette we should be also be more focused on repairing divots ( can we all make sure we carry a divot tool ) racking bunkers ( please leave the bunker as you would expect to find it ) and slow play is starting to creep back in. Can we please make sure we keep up with the group in front and if you lose the group in front - start running !
