

# HWM Eclectic Round 6 ( err... no it wasn't ! )

It started off as Eclectic Round 6 , unfortunately the elements once again proved our downfall as the original field of 64 looked out of the window and decided “ not a chance “ so 33 players stared out with the early tee time groups just about surviving. Only a brave and stoic group of 13 actually completed the 18 holes so a Well Done to that group. The Competition had to change from Eclectic to 4 Clubs and a Putter due to the course status being Carry Only. The last round of the Order of Merit 9 hole competitor also had to be abandoned and made null and void due to no one getting past 4 holes before throwing in the ( very wet ) towel. So what does that all mean. Well , those 33 played played a non qualifier individual stableford so we can confirm the winner of the **2024 Eclectic Competition as Stuart Armstrong**. Over the last 4 years Stuart has picked up the Trophy 3 times so great consistency and with an Eclectic score of 64.72 some impressive scoring.

The **9 hole Order of Merit winner - Gerald Bullock** and this concludes the Order of Merit until November 2024.

## Winners for the glory for Thursday’s Stableford

Another notable victory. It was back in those carefree pre pandemic days of 2018-2019 that the double act of **Malcolm Lucas and Alan Ford won the Bob Wilkie Shield - Winter Pairs**. Well , they are still together and that winning formula has in 2023/2024 repeated the victory with a 3-2 victory over the other finalists of Harrison and Gray ( Peter ).
