

HWM Sereyni Salver (flag competition)

60 players in a Medal Competition is an impressive turnout in what turned out to be vaguely decent conditions but if anyone tell you that the greens were easy they need to offer the rest of us putting lessons. So , it was an impressive performance for **Vernon DeCruz** who , and I am sure he will not mind me pointing out , won his first HWM Trophy in winning the **Sereyni Salver** having made it to the 11th green with 8 shots left after completing his round. In 2nd place was Laurie Morse who made it to the 10th green.

In the Net Medal Competition it was a really close run result right until the last group came in with **Mark Stanley** who strolled in with a Net 69. Andrew Harvey , who had tee'd off at 08.10 was in the lead until that last 4 ball came in and had to be content with a 2nd place finish on Net 71. As with all Medal Competitions there were a number of double digit scores spread across the field however the “ **Hole of the Day** “ has to go to our esteemed **HWM Captain Steve Downs** on the 9th hole took 4 attempts to get the ball over the water to finish the hole with quite magnificent score of 15 shots. Shame really as the rest of Steve's round was actually quite good.

HWM triumph in the WGC Winter Midweek Pairs

Martin Brown and Stephen Webb in those rather fetching yellow team colours which for the fashionistas among us are the Lacoste colours with a yellow crocodile and not green ! Martin and Stephen won in the final 3&1

The Baxter Trophy Sign up NOW - Wednesday 24th April

Yes , it's that time of the year so 2 requests - **1. Please sign up on Golf Genius to register for the event** **2. You pull out your pinnies and get the rolling pin dusted down as we look for volunteers to bake some cakes for the annual Texas Scramble. The HWM provide the cakes for the Half Way House.
