

Another Final ... this time nearer to home ..

Our more recent (and indeed younger) HWM members may not be familiar with the **Evergreen Salver**. This was the Trophy being contested on Thursday. The Trophy was commissioned by the Highwaymen's committee of 2020/21 in recognition of the valuable contribution of the " senior " Seniors. It was crafted by the woodworking skills of fellow Highwaymen Peter Christmas during the pandemic of 2021. The Salver is awarded to the HWM who is 80 years old or over with the highest Stableford score of the day. We now have a new winner - **the evergreen David Giles** who scored an impressive **37 points** and just outside the score for overall winner on the day. It was a good turnout on a slightly cooler day with some good scoring from some of the 52 starters and no reports of " hissy " fits that we saw in the OPEN from a certain Mr DeChambeau. So well done to **Gary Shields with a score of 39 points** just ahead of **Howard Somerville with 38 points** Good scores from 2 low handicap golfers. Gary enjoyed a birdie on the 5th for a 4 pointer which set up his victory.
