

Golden Years Stableford

Ok , so how many of the 55 players who logged on for the Golden Years Stableford were stunned to see that their handicaps had been adjusted only to realise that we were (of course) all playing from the composite tees. It made for an interesting round of golf and anyone who thought it would be a breeze playing off those inviting gold tees were in for a surprise. For the low handicap golfers in our midst who had single digit handicaps - it was tough - so well done to the 2 players on single digit handicaps who made it into the top 10 on the leaderboard. There were a couple of exceptions to this with **Gary Bates playing off 7** who was sitting with his feet up in then Clubhouse thinking how to spend the £21.00 in the pot only to be overtaken by **Paul Willcox** (ok just into double digits on 11) on the final few holes. **To be fair to Paul he had a great front 9 on 22 points , so a well deserved win.** Really good rounds also for **Paul Buchanan** and **Peter Bennett** with 37 and 36 pts respectively

for the Glory and the money

1	Paul Willcox	40 points	£21.00
2	Gary Bates	39 points	£16.00
3	Paul Buchanan	37 points	£11.00
4	Peter Bennett	36 points	£6.00
