

HWM lose a grudge match but win a club match

So , the big match this week was not the last match of the inter club season against Sutton Green but the (now) annual match against the traditional rivals from the club The Tuesday Boys (a lose title not indicative of age). This year the HWM just lost out by 3.5 to 2.5 so with good grace as befitting the HWM our new HWM Captain for 2027 congratulated the Tuesdays Boys captain Colin on a well fought match. We will skip over the bit where a HWM won the match for the Tuesday Boys thereby costing the HWM a halved match and retaining the Trophy. No names !

On Thursday we had the last match of the InterClub season against a (still going strong) Sutton Green. The HWM recorded a big win at 4.5- 1.5 and so ended the season at Won 11 Lost 8 Halved 2. Thank you to everyone who participated in this years InterClub match programme.

In the Thursday Roll up competitions we had 28 players in the 18 holes Stableford 10 in the 9 hole and 12 in the match so a healthy turn out. **At last we had a 40 pointer with Steve Brooker** who with 2 - 4 pointers on the back 9 and a birdie on the 14th managed to stay clear of the chasing pack . That's a fine at Christmas for Steve !
