A week for 2 new Champions

Champion No1 is the winner of the **2026 Elliott Cup** who despite not scoring on Thursday to his normal high standard still had done enough from the previous rounds to stay 6 points ahead of the competition. So **Congratulations** to our winner **Emile Charbine** with a score of 112 points including rounds of 36 , 37 and 39. A deserved winner.

Up next we had the **final of the Costello Bowl** and this featured **Robert Oxley and Howard Somerville** , which , if nothing else guaranteed a new winner for the 2026 Costello Bowl trophy. In true nail biting fashion the match swung one way and another with neither player being able to get a commanding lead and it was not until the match reached the 18th that the 2026 winner **Robert Oxley was able to secure victory by going 1 up**. Well done to both for a very well played final and to **Robert for being crowned the 20276 Costello Bowl Champion**.

54 players in the field for Round 6 of the Elliott Cup and on a day of very tough pin positions we (maybe surprisingly) only had 18 players scoring 30 or more points so anyone that got to mid 30's - Well Done - and very well done to the 4 that came out top with **Ian Shipway showing everyone else the way with 37 points**.
