Rain stops play nearly !

Those of you who are of a musical disposition may remember a ditty from the 80's by a certain Barry Manilow entitled " I made it through the rain " ...well ... that would've been an appropriate accompaniment for the events on Thursday as the conditions worsened during the morning which resulted in only 20 players completing the 18 holes and posting a score. Some seemed to enjoy the conditions more than others with 2 players only separated by CountBack. 15 points scored on 5 holes certainly helped **Michael Holland secure top spot** against **David Hall also on 38 points** who to be fair also had 15 points across 5 holes on an 11 handicap.
