A busy week for the Highwaymen.....

Wednesday saw the Seniors and the Ladies contesting the **Patricia Baxter Trophy** with 35 players in the competition. The winners **Simon Solari , Jennifer McDonald & Patricia Barnett** were aided by a blind player who in this instance was Andy Heath who having finished in the last group found himself propelled into the pictures with the winning team with a team total of 86 points. **2nd place** were **Alan Ford , David Lewendon , Bundini Gadhoke & Mary Saunders** on 84 points. Also collecting a bottle of wine in 3rd place with 81 points were **John Burton , Colin Bidwell , Santa Rai and Jane Carter**.

The Thursday competition featured a medal round with the **Balgarnie Cup** up for grabs for that player aged 70 or over who scored the best net score on the day. Well this time **Andy Heath was the rightful winner** and took home the trophy. A total net of 72 was a fine round. **The Medal competition was won by Gary Egleton with a splendid 5 under on net 67**. This was despite the difficult pin positions which put paid to many an attempt to score well on the greens. As with all medal competitions Thursday served up 13 holes which scored a double digit score. Won't get many of those at Wentworth this weekend !
