

A fun week in the sun for the HWM

Always a well supported event and this year the Fun Day had 55 HWM doing their level best to make sense of the fiendish rules set up by our social event organiser David Humphrey and what a very successful event David produced. For those who were not able to join in the fun take a look at the pictures here [Fun Day pictures winners and wine](#) and count the bottles of wine on offer. In excess of 30 bottles so most HWM walked away with something red or white. So close was the competition we also had joint winners. Here are all the results and well done to all the HWM that entered into the spirit of the event
