No drama in the fescue for the HWM (unlike Bryson DeChambeau)

The race for the Elliott Cup is now on and with 1 round left we have a new leader in the Clubhouse after a splendid 39 points in Round 5. Yes - **Emile Charbine** has knocked Andy Heath off the top of the leaderboard and now sits with a best 3 of 112. We have a gap of 10 points across the Top 10 so it's not all over but it will be tough to catch Emile.

In Round 5 we had a respectable field of 62 HWM and we saw an outright **winner for "The Glory"** with 40 points (so another Christmas fine) **and so for the 3rd time in recent weeks Michael Holland** was awarded with another HWM cut of 3 strokes , so that should make life a tad more difficult next time out ! **Emile was right behind on 39 points on a 9.9 handicap - " well played " , Gary Egleton 39 points on 15.6 and Stephen Webb on 15.1 all at 95% handicap so good golf**
