

The Medal competition proves tough for some

The Medal competition was contested by 29 HWM and the consistency shown by the player at the top of the leaderboard proved decisive as the eventual winner **Mark Stanley** was the only player who came in under his handicap. Mark would have been tested by the players in the top 7 finishers who would have been closer to challenging had it not been for some errant shots and one hole which had a double figure score - I will leave it for you to check out who that was. By the end of the round we saw **Alan McDonald surge to the top of the HWM Summer Order of Merit** with a 2nd place finish to top the OOM with 150 points.

There was also the 9 hole competition with 15 players who were either were regulars in the 9 hole event our who didn't fancy the rigours of a medal competition. **1st was David Eyre with 22 points : 2nd Anthony Bell 20 points : 3rd Graham Woodfine 19points (CB)**
