Round 3 of the Elliott Cup produces some great scores

On another hot day in this mini heat wave we had 66 players providing a host of great scores and in a very tight leaderboard for the Elliott Cup after 3 rounds of 7 we still have **Andy Heath clinging onto top spot on 105 points** but being hunted down by **Alan McDonald also on 105 points** then **Ian Thompson on 100** and **Kevin Fallon on 99 points**. We now have 9 players in the 90's so anyone with a great game in round 4 will be in contention.
