

HWM Stableford Pairs (Best 1 from 2)

Another excellent Autumnal Thursday for a round of golf which promised some good scoring and so it proved (even at 85% handicap) with 57 players on the course. From the 29 Pairs there were 6 Pairs all on 21 points with 1 pair on 22 points on the front 9 so it was all to play for on the back 9. Once again it was a very tight affair with only 3 points separating the top 10 Pairs. We had to have a winner and with **43 points** the Pair of **Alan Ford and Martin Roads (on 36 points) took the honours** - but only by 1 point from **Robert Oxley and Stephen McLaren**. An honourable mention to the 2 other players who scored 36 points on the day - Jez Lockyer and Martin Brown.

	Winners for the glory and the money	Points	££
1st	Alan Ford & Martin Roads	43	£24.00
2nd	Robert Oxley & Steve McLaren	42	£18.00
