Busy week for the HWM .. a trophy win and a 2 team win

On Wednesday we had 29 HWM and 36 ladies across 17 teams competing for the Baxter Trophy on the composite course in a Texas Scramble. We had a field day with Pars and Eagles all over the course (especially on the 9th) and so as a result of some fine scoring especially one the back 9 with 5 birdies the trophy for 2026 went to **David Hall , Geoff Eldred , Noelle Fung & Paul Knight** with a total net score of 57.2. Congratulations to the winners.

The Trophy presented to the winning team by Captain Stephen and Jenny Wile who along with David Humphrey - taking the pic - arranged a very enjoyable event.

In 2nd place were the team of **Alan Ford , Clive Slifkin , Jane Carter & Ruth Knowles.**

In 3rd place were the team of **Emile Charbine , Robin Hampton , Hilary Ashby & Mary Dodds.**

On Thursday in glorious weather we had 45 HWM most of whom had to get out of bed far earlier than normal to accommodate the InterClub match versus Royal Mid Surrey at 9.30. However early the HWM teed off we were too late to check some really horrible pin positions which had been in place by Leigh and his not so merry band of green keepers - Thanks guys ! Those pin positions coupled with some fast greens made for a challenging day which to be fair didn't seem to impact on the winning team who set a scorching pace (to match the weather) with 41 points on the front 9 so although they slowed up a bit on the back 9 their victory had been set earlier in the round. So , well done to **Steve Brooker , Ian Thompson & John Morgan** with 76 points and in 2nd place we had **Alan Meyer , John Peasgood** (who alongside Jonathan Lovell both with 34 points were the best individuals) & **Robin Hampton**

	for the glory and the money	points	£
1st	Steve Brooker , Ian Thompson , John Morgan	76 Pts	£14.00 (each)
2nd	Alan Meyer , John Peasgood , Robin Hampton	75 Pts	£8.00 (each)
