

Team Stableford - 4's company but 2's a score

A smaller field in the main team event with 42 players but we also had a 9 hole event with 7 players and the Interclub match versus Guildford so a total of 61 HWM on duty for the day.

In the 2 from 4 Stableford - out of the 11 teams we had 5 teams that managed to scramble their way to 40 points across the front 9 only for their form to desert them by not producing a winning score on the back 9. That is , apart from the winning 4 ball that sniffed the opportunity to subsidise their post match Moretti with their £9.00 winnings by scoring 44 points on the back 9 to (just about) hold off the challenge of the team in 2nd place who came roaring back after a less than spectacular opening 9 holes. Well done to the winners !

	Winners for the glory	points	££
1st	Terry Kilbane , Paul Willcox , Andy Heath , Richard Mauldon	84	£9.00
2nd	Ian Thomas , Roger Robinson , Bob Kealey , John Morgan	82	£6.00

In the the 9 hole competition with 7 players : **1st was Paul Ericsson with 22 points : 2nd (again) Anthony Bell 19 points : 3rd Gerald Bullock 18points**

InterClub Matches

The HWM hosted Guildford in the InterClub matches and came away with a 4-2 victory which which was a revenge for the away match which we lost 4-2 so just shows the advantage of playing on your home course. We now stand at Won 9 lost 7 and halved 2 with 2 matches left against Test Valley and Sutton Green on 24th September being the last match.
