Texas scramble won by a whisker.....

At last , at least for 1 day , we had a day of sunshine to enjoy and the 54 players in the Texas Scramble and the 15 in the 9 hole competition had the added bonus of not having to carry their clubs. There have been a few weeks of Individual competition and the conclusion of the Eclectic so it was nice to have relaxed Scramble to enjoy before we commence the Elliott Cup and the Inter Club matches which will start in April.

In the end the final results were very close and the top 3 teams were only separated by 0.6 of a stroke.
