

“ Oh look I’ve broken my driver ”.. but it didn’t matter

Anyone who thought that playing from the composite tees would be a breeze were in for a surprise as not one player from the 62 that played on Thursday beat their handicap so those enticing gold tees played havoc with those of us who became over confident. The other point of note was how the temperature had plummeted and so fair play to the Iron Men of the HWM Mr Hampton , Eldred and Kilbane who were spotted still wearing shorts while the rest of us had locked our shorts away for the winter.

Before we get to celebrating the actual winner we should give credit to the players in 2nd , 3rd position who were both playing on less that a 5 handicap & had some great holes including a birdie on hole no1 from Stuart.

Anyway back to the winner who on the tee box on the first hole smashed his drive down the fairway only to find that he has also smashed his driver as the shaft broke in 2 ! Unperturbed the very calm Mr Shipway calmly placed the broken driver back into his bag and proceeded to play the rest of the round with a 3 wood off the tee - and did it impact his game - No - as **Ian playing off 7 came in with 35 points beating Emile & Stuart by 1 point as they were both on 34 points.**

A word of thanks from our outgoing Captain , Colin Berkley following the HWM contribution to Colin’s Captains Charity (£1,900) : My sincere thanks for the HWM’s longstanding and generous support of successive Club Captains’ chosen charities. Over so many years, your generosity has made a significant contribution to some very worthy causes.

I especially enjoy witnessing the fines being handed out and collect at the HWM Christmas Dinner — a sight to behold and always a fun way to involve absolutely everyone in fundraising for a worthy cause!

Thank you also to all of those that kindly supported me and my charity by their patronage at events, generous donation of items for raffles and the charity auction and also so much encouragement.

I am especially grateful for your support of White Lodge during my captaincy. Having seen first-hand the difference their work makes, I know your kindness will quite literally help change children’s lives.

My personal thanks to all the HWM — your continued support meant a great deal me.

November 12th - **HWM AGM** in the Orangery (2.00 TBC) with the HWM Captains Texas Scramble beforehand. Any resolutions to be raised at the AGM shall be formally submitted in writing to the HWM Secretary at least twenty-one days prior to the AGM.
