

Windlesham Golf

What a scorcher - and it wasn't just the weather !

With 43 players who were prepared to take part in a Medal and Flag Competition in (again) very hot conditions the pace was set early with **Andrew Harvey producing a scorching pace** with 6 par holes and 2 birdies for a **net 63 round** and it was the rest of the field playing catch up with **Michael Holland again on the leaderboard** not far behind on a net 66 and **Kevin McGann on a net 70**. Given it was a Medal completion we didn't see the normal double digit scores on certain holes with only 3 across the entire field.

The Serenyi Salver was being contested and this was a close run result. **David Preece is awarded the Trophy for 2026** after getting to the 12th green just pipping Howard Somerville to the Trophy.

InterClub Match : This week we played at Clandon Regis and it wasn't to be our day after Stuart Armstrong was stranded on the M25 and a big Thank You to Steve Barton who downed tools and rushed over to Clandon to substitute for Stuart - and - he won his match along side Paul Carter. Then Paul Hutchins on the 1st tee managed to launch the club head on his 4 iron into the Surrey countryside never to be seen again !! A visit to Replay Golf for Paul. And by the way we lost 4-2 Oh well !! We are now on Won 6 Lost 5 Halved 1.
