Fun in the sun with a Texas Scramble and welcome to the new HWM Captain

An important day for the HWM with the AGM being held and the appointment of the new Captain for the 2026-2027 year. There were 55 HWM in attendance for the AGM and the Committee would like to thank all those HWM who came to hear the reports from the Captain , Match Secretary , Treasurer and then the appointment of the new Captain. For those unable to attend or had sent their apologies the Minutes will appear on the HWM website in due course.

On the course we had the Captains Texas Scramble with 59 HWM trying to earn the right to take some wine from Stephen's extensive wine cellar and there were 14 in the 9 hole competition.

A point to note for the Texas Scramble with slow play again rearing its head. Can we all please take note on pace of play to keep the rounds to a sensible level especially now that the weather has become more challenging as the temperature drops.

The outgoing Captain - Stephen Webb hands over the Captains towel for 2026 - 2027 and a book entitled something like " The Ultimate Golf Excuses " **to our new Captain Ian Thompson** - we are sure those excuses may come in handy during the next 12 months.

	Winners for the Captains wine	Result
1st	Simon Solari , Martin Ruggles , Johnathan Scholefield , Neil Lennox	60.5
2nd	Ian Thompson , John Smith , Aidan Willis , Steve Brooker	61.2
